IN THE CLAIMS

Please cancel claims 1-3.

Claim 4 has been amended as follows:

10

4. (Amended)

The method of mounting a wind turbine on the upper end of a vertically disposed wind turbine tower having upper and lower ends, comprising the steps of:

removably mounting a wind turbine support on said tower;

positioning a wind turbine on said wind turbine support;

moving said wind turbine support upwardly with respect to said tower to the upper end thereof;

15

moving said wind turbine from said wind turbine support to the upper end of the tower;

securing the wind turbine to said tower;

moving said wind turbine support downwardly with respect to said tower; and

removing said wind turbine support from said tower.

20

Please add new claim 6 as follows:

6. (New)

The method of claim 4 wherein said wind turbine support, after being removed from said tower, is transported to another tower for use thereon.
